

Carrier Customer Bulletin

Date of Bulletin: August 23, 2021
Notice #: CCBFTR01953
Audience: Wholesale Customers
Subject: Introducing New Wholesale Product: Edge Colocation
Date Effective: Immediately

Frontier proudly introduces a new Wholesale product: Edge Colocation. Information is available at:

[Frontier® Edge Colocation | Frontier® Wholesale](#)

Frontier Wholesale understands that market trends are evolving that require the development of new solutions, applications, and/or systems for our Customers to support End User needs. Our Edge Colocation solution is one such response to market demands. Review our [product information](#) as well as our [supporting documentation](#) on establishing a relationship with Frontier.

Please contact Frontier at frontier.implementation.request@ftr.com for more Edge Colocation information!
