

SHORT TERM PUBLIC NOTICE UNDER RULE 51.333 (a)

Date of Public Notice: January 26, 2024

Notice #:	CCBFTR02185
Carrier Name and Address :	Citizens Telecommunications Company of New York, Inc. d/b/a Frontier Communications of New York, Inc. 1919 MCKINNEY AVE, DALLAS, TX 75201
Contact:	Your Account Manager or For Technical Issues: Mathew Eichhorn, Sr Network Engineer–Central Office Email: Mathew.Eichhorn@FTR.com Phone: 570-631-4062
Implementation Date:	Upon FCC approval, with the project completion targeted on or after July 31, 2024

Description of Network Changes Planned:

Frontier Comm of NY announces that it intends to retire its Caroga Lake DCO switch for the wire center(s) listed below:

Wire Center	Address	CLLI
Caroga Lake, NY	148 COHWY 111, Caroga Lake, NY 12078	CGLKNYXADSO

On or after July 31, 2024, the Caroga Lake, NY DCO switch, and associated remotes will be retired and removed from the Frontier network as part of ongoing efforts to modernize the network.

The Exchange Code (NXX) in Numbering Plan Area (NPA) 518 currently residing in the Caroga Lake, NY DCO switch and associated remotes (see list in Table B below) will be moved to the GLVVNYXAPSO PEO virtual switch (see details in Table A below).

Description of Reasonably Foreseeable Impact of the Planned Changes:

The native NPA NXX belonging to the Caroga Lake DCO switch and associated remotes will be rehomed upon decommissioning of the switch and reflected in the Local Exchange Routing Guide (LERG) for the Gloversville, NY PEO switch. This will occur on or after July 31, 2024.

Table A

	FROM	TO
Entity	Caroga Lake- XADS0	Gloversville-XAPS0
CLLI	CGLKNYXADS0	GLVVNYXAPS0
Remote CLLI	N/A	CGLKNYXARPO
Product	DCO	METASWITCH
Point Code	218-101-007	218-101-201
NXX Type	EOC	EOC
OCN	0096	0096
Rate Center Lata	134	134
State	NY	NY

Table B

NPA	NXX	TYPE	Existing Switch CLLI	New Switch CLLI
518	835	EOC	CGLKNYXADS0	CGLKNYXARPO

Network Changes and Trunk Rearrangements:

The Gloversville, NY PEO switch will be the recipient office of traffic migrated from the Caroga Lake, NY DCO switch and associated remotes. Traffic bound for the codes listed in Table B will be delivered via the Gloversville, NY Tandem (GLVVNYXA01T Intra-Lata SHA/ GLVVNYXA01T Inter-Lata FG Access SHA).

After all traffic is migrated off the Caroga Lake, NY DCO switch and remotes, it will be retired and removed from the network.

Description of Reasonably Foreseeable Impact of the Planned Changes (cont.):

CLECs, IXCs, IECs, wireless carriers, and paging carriers will need to secure new trunk groups built to the Gloversville Tandem or have existing trunk groups to that switch augmented. Carriers that have direct end office trunks (DEOT) with access connectivity in the Caroga Lake, NY DCO switch and remotes will be required to reposition the codes to the Gloversville Tandem switch.

All ASRs (Access Service Requests) for the Gloversville Tandem switch must be received no later than June 30, 2024, to provide sufficient time to migrate the traffic described above. All traffic must be moved by July 31, 2024. All ASRs for the Gloversville Tandem switch must carry the project code of CGLKNYXADS0.

Please adhere to industry standards using normal procedures that pertain to updates and changes to the LERG for all NXXs subject to the retirement of the Caroga Lake, NY DCO switch and remotes.

If you have questions regarding the information provided in this notice or would like to schedule a meeting with Frontier Network Engineering, please contact Matt Eichhorn at Mathew.Eichhorn@ftr.com or 570-631-4062.

We look forward to working with your team to enable uninterrupted service during the network redesign and transitioning of your traffic.

For further assistance, please contact your Frontier Account Manager.
