

Date of Bulletin:	February 15, 2024
Notice #:	CCBFTR02193
Audience:	Carrier, IXC, Wireless, CLEC, ISP
Subject:	ASOG 68 System Upgrade 30-Day Notification
Date Effective:	March 17, 2024

Effective March 17, 2024, Frontier will implement Version 68 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

During the release implementation, Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions from 8:00 p.m. Eastern Time on Friday, March 15, 2024, until 7:00 a.m. Eastern Time on Monday, March 18, 2024.

With the ASOG 68 System Upgrade, the following field moves to a new form:

Form	Field Name	Field Description	Field Purpose
EVC	EVC QTY	Ethernet Virtual Connection Quantity	Identifies the quantity of EVC circuits
Administrative Section	EVC QTY	Ethernet Virtual Connection Quantity	Identifies the quantity of EVC circuits

CLEC/Carrier testing will be available to e-bonded customers in advance of the ASOG 68 System Upgrade implementation. CLEC Testing will be available February 19, 2024, through March 8, 2024, 8:00 a.m. through 12:00 p.m. Central Time and 1:00 p.m. through 5:00 p.m. Central Time. To reserve a test window, please send an email with a copy of your test plan to Frontier.ASR.Certification@ftr.com by February 18, 2024.

Frontier Access Custom Business Rules will be implemented with ASOG 68 and are available on the Access Reference Documents page of the Frontier Wholesale Operations Website at: <https://wholesale.frontier.com/Reference-Library/access-reference-documents>.

If you have questions regarding the information provided in this notice, please email Carrier.Notifications@ftr.com.
